Art Unit: 2666

1. The following is an examiner's statement of reasons for allowance:

The prior art fails to teach a combination of
a line level selection unit that forms a primary traffic stream and a
secondary traffic stream, the primary traffic stream comprising a
plurality of signals that are received on one or more working or
protection ingress lines, the secondary traffic stream comprising the
path level protection signal for each of those of the signals within the
primary traffic stream having path level protection; and
b) a path level selection unit that receives the primary traffic stream and
the secondary traffic stream and forms an egress traffic stream by
replacing, with its corresponding path level protection signal, any of
those of the signals within the primary traffic stream having path level
protection that have failed.

Any comments considered necessary by applicant must be submitted no later
than the payment of the issue fee and, to avoid processing delays, should preferably
accompany the issue fee. Such submissions should be clearly labeled "Comments on
Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to
applicant's disclosure.
